# FLASHBACK

## ENTERTAINING. INFORMATIVE. VINYL.

*Flashback*, the country's number one retrospective radio program, is now hosted by influencer, Rock insider and MTV legend, Matt Pinfield. Travel back in time and celebrate killer classics with rockers that defined the time—The Who, Pink Floyd, Led Zeppelin, The Rolling Stones, Eagles and many more.

### RELIVE THE HIGH

*Flashback* fuses Classic Rock with the newscasts, TV and movie clips, vintage commercials and comedy that defined the time. As a living music encyclopedia, Matt not only connects the dots, but gives listeners a rich behind-the-scenes perspective unlike any other.

### STRATOCASTER-LIKE PRODUCTION

Keep morning teams and production directors happy with *Flashback* 6-Packs and Star-Packs. Each *Flashback* show comes with a 6-Pack of vintage clips; and Star-Packs delivers format-perfect, artist-specific music collages to set up rock blocks all week long.

### AIRS WEEKENDS

Available as a 2 or 4 hour program
